Dear Parent:

Uniform Policy

As the weather gets a **little cooler**, please be reminded of the uniform policy for sweaters, sweatshirts and jackets. **Students are to wear their school sweatshirt, navy blue sweater or navy blue jacket to school and are allowed to sit in the classroom with any of the clothing listed above.** Students may wear non-uniform clothing to school, but are not allowed to sit in the classroom with them. Please do not send your child to school without the proper uniform.

Girls are allowed to wear black, white or navy blue tights under their skirts during the winter months. No other color is acceptable.

In addition, **instead of wearing long sleeve shirts of various colors/designs under the uniform shirt, students should wear the sweatshirt over the uniform shirt. On very cold days, students are allowed to wear coats to school.**

Labeling Outerwear

During the winter months, students begin to dress in layers. Please remember to label all outerwear (with the student's name) such as hats, gloves, school sweatshirt, school uniform sweaters, school jackets and coats. Labeling such items makes it easy to return lost/misplaced items to the correct owner.
